EXPERIENCE

HM CONSULT Khzema-Sousse 2022-2023

In reality this internship gave me a favorable opportunity to take the first steps in the professional field after theoretical training because it allowed me to transform and see the difference between theory and practice.

EHM CONSULT Khzema-Sousse 2023-2024

During this internship, I was able to acquire new skills and deepen my knowledge in the fields of web development and multimedia, as well as in Microsoft Dynamics AX and Dynamics 365 Finance and Operations consulting.

Studio DHafer kalla-sghira 2022 - 2024

I worked at a photography studio, assisting with session preparation, supporting during shoots, and post-production editing. This experience helped me develop technical skills and gain insight into the workings of a professional studio.
